

Beginning in the month of November, NRVJRJ male officers have the opportunity to participate in

## **NO SHAVE CAMPAIGN**

This year the fees will go toward various charities

*Here are a few of our participants:*

**THANK YOU** to the staff members who paid to participate in the No Shave Campaign 2018. So far, we have raised \$5640.

Because of you, we have helped Officer Fields, on C-team, and her husband and Lt. Clemons, from Wytheville PD, with medical expenses. Also Brian Scott, an ER nurse at NRVMC, and his family after they lost everything in a house fire. Each person was given \$1340.

We have given Hope Packs in Wytheville \$880. They send backpacks with food home with children.

We have given RNVMC ER nurses \$740 to help purchase teddy bears for children who are being treated in the ER.

Everyone was very thankful for your generosity.

*The No Shave Campaign continues ..... Updates to come.....*
